

## Pupil Premium Funding

- Pupil premium funding is additional funding paid to schools in respect of their students who have been registered for free school meals **at any point in the last six years**. Schools receive this funding to support their eligible pupils.
- The school will get the information about pupil premium students from the Department of Education. Parents/Guardians need to make the application for free school meals through the Council of the borough they live in.
- Head teachers are free to decide the best use of the premium to support these students, but have to be accountable for the decisions made.
- At Twyford CE High School all pupil premium students receive a 20% concessionary rate off all residential trips and music lessons. As well as this, all pupil premium students are entitled to £100 credit each year which the parents/guardians can then allocate towards any activity or music lesson. The money cannot be transferred from one academic year to another. When you wish to allocate your £100 (or part of it) to an account, you must email [Student.Services@twyford.ealing.sch.uk](mailto:Student.Services@twyford.ealing.sch.uk) with the necessary instructions. A telephone call is not enough as we need a written record for our auditing purposes.
- Below there is a list of eligibility for Free School Meals. Please take time to have a look and see if your child is eligible. If you feel that your child might be eligible then please contact your local council and make the application – it will benefit your child and the school.
