School uniform should be worn correctly on the way to and from school, and certainly before students enter the school gates. Students who wear incorrect uniform will be asked to return home to change and return swiftly to school as soon as they have done so. Students should expect negative points, detention or confiscation of items if they wear the school uniform incorrectly. If in doubt, then the likelihood is that it is wrong. Please do not risk buying your child an item which is incorrect because they say "everyone's got them".
